

Film and talk

Thursday 5th February 7pm Malmesbury Town Hall
From Mons to Le Cateau

A team of young local film-makers in Malmesbury won a National Lottery grant and have produced a short film about the experiences of Wiltshire soldiers in the First Battle of Mons in August 1914. Their film follows a group of scouts who re-created the epic retreat of the Wiltshire soldiers that took place from Mons exactly 100 years ago.

Malmesbury historian, and author, **Charles Vernon**, will develop the story of 1st. Battalion Wiltshire Regiment, with special reference to the involvement of local soldiers.
